- ♥ **Trust** - How do we earn the trust of our teens? Especially if you are new to the ministry at hand.
- ♥ **Balance of leadership** - When should you re-evaluate your role as the leader. Are you a leader, a friend, or both? Finding that balance.
- ♥ **Problem making teens** – Should we say enough is enough? Or should we continue to allow them to disrupt? How do we handle it?
- ♥ **Sexual confusion** – How should we handle this? Is it something that should be discussed openly in your group or in a private conversation?

And that's not all.....
